## BRITONS ARE FIRED UPON IN PORT SAID

Port Said (P)—The Egyptian underground ambushed a British patrol with a hail of machine-gun fire late last night on the edge of Port Said's crowded Arab slum quarter. No soldiers were hit.

Troops cordoned off the area and two tanks moved in to cover them as they searched for the attackers. Egyptian civil police also took part in the hunt but by dawn no trace of the guerrillas had been found.

The new show of defiance to the withdrawing British-French force virtually duplicated another ambush of a patrol in almost the same spot Monday. One soldier was wounded slightly. The British arrested seven Egyptians and accused Egypt of violating the cease-fire.

There was still no word on the fate of British Lt. Anthony Moorhouse, 20, who was kidnapped at gunpoint by three Egyptians 48 hours ago.

Lt. Gen. Sir Hugh Stockwell, commander of the British-French task force, demanded that Egyptian civil authorities take responsibility for returning the British officer. So far no apparent effort is being made by the British on their own.

A rumor among Egyptians—and it is strictly a rumor—is that the lieutenant has been killed and that the underground is waiting a chance to parade the body just as the last British troops leave, presumably to show that Egyptians are having the last defiant word.

## Geneva College Grid Player Unconscious 77 Days Taken Home

Pittsburgh (P)—A 21-year-old college football player who was injured in a game Sept. 29 and remained unconscious for most of his 77 days at St. Francis General Hospital left by ambulance today for Lutheran Hospital in Cleveland—his home town.

Richard Kadis, a lineman for Geneva (Pa.) College, was accompanied by his parents, Mr. and Mrs. Charles Kadis. They have maintained a silent vigil at their son's bedside ever since he was injured in a game at Waynesburg.

The former Youngstown, Ohio, high school football star began showing signs of coming out of the coma only the past few days. He finally opened his eyes and began to move his arms, a hospital attaché said. His condition remains serious.

Kadis, who was instrumental in recovering a fumble which led to Geneva's 12-6 victory over Waynesburg, collapsed on a bus returning the team to Beaver Falls, Pa. He was taken to St. Francis General Hospital and underwent brain surgery.

## Busy Christmas Season Ahead For State Hospital Patients

As Christmas approaches, more and more decorations are appearing everywhere, and the Warren State Hospital is no exception. Plans for the Yuletide have been completed, according to the "Occasional," four-page publication of the institution, and announcements made concerning keeping of the season, include numerous parties and programs.

There will be Christmas greens on the front balcony of Center Building as well as the grounds in front of Center and Admission buildings.

Every ward will have a Christmas tree, and the cafeteria and chapel will also sparkle with tinsel and greens.

Beginning with December 18th, when OT parties will be held for each group of patients in Occupational Therapy assignments, until Christmas Eve, there will be something doing.

## Short and Efficient Session Of The Legislature Is Aim of Warren County's Assemblyman

Assemblyman Allen M. Gibson is leaving Monday for Harrisburg and a round of preliminary committee meetings Tuesday to discuss the Republican legislative session which opens January 1.

Assemblyman Gibson has been chosen Party Whip for the 1957 session and has such will supervise public relations between the Republican majority leader and legislative members.

Mr. Gibson stated that "All of my efforts will be directed toward making this session of the legislature as short and efficient as possible with the idea of adjournment by June 1st as compared with a session of 17 months in 1955 and 56, and other prolonged meetings in 1953 and 1951."

Said Gibson: "I feel that the people of Pennsylvania want a short session of the Legislature and I think it is to their advantage to have one as brief as possible."

According to the Assemblyman, his projects this year will be a tax on timber when it is cut rather than as it grows, a move which will stimulate retention of the state's vast timber resources. At present timber is taxed as it grows which means important growth years are sacrificed instead of allowing the wood yield to realize its maximum output.

Another project of Mr. Gibson will be to place the Department of Forests and Waters under Civil Service which will lure and hold top men to jobs now tenable only at political whim.

Leaving for his seventh term the veteran lawmaker said that in his opinion the sales tax would be continued by amendment at 3 percent rather than dropping to 2 percent in June as the original bill stipulated.

## 32,000 DEAD DURING ANTI-SOVIET RIOTS

By EUGEN LEVIN

New Delhi, India (P)—Prime Minister Nehru said today Indian diplomats who recently visited Hungary reported that about 25,000 Hungarians and 7,000 Russians were killed in the anti-Soviet riot.

This was the first estimate of Russian casualties in the Soviet tank and troop action to crush the Hungarian rebellion against communism. Previous unofficial estimates of Hungarian killed have ranged between 20,000 and 50,000.

Reporting to Parliament on Hungary, Nehru said J. N. Khosla, Indian minister to Czechoslovakia, and K. P. S. Menon, ambassador to Moscow and Budapest, reported to him that what happened was a "revolution and a national one."

He added that a Russian intervention "was not justified."

The Prime Minister said that the way to bring "real peace and stability" in the world is by the withdrawal of "all foreign forces from every country—in Europe particularly."

This is a standard Soviet contention. The West has rejected it steadily, claiming that withdrawal by the United States back across the Atlantic would leave Western Europe exposed to Communist aggression from vast Soviet armies which would only have to pull back to Russia's western border.

The Indian leader told a news conference of American correspondents earlier that the United States should "take the bull by the horns and deal with Russia" for a Middle East settlement. He implied that such an agreement might halt the arms flow to that explosive area.

## Atlantic Alliance Calls for Freedom in East Europe but Against a War of Liberation

By JOSEPH E. DYNAN

Paris (P)—The Atlantic Alliance called today for freedom in Eastern Europe but pledged itself against a war of liberation.

Foreign ministers of the North Atlantic Treaty Organization endorsed a five-point declaration of policy on Eastern Europe submitted by West German Foreign Minister Heinrich von Brentano.

NATO officials emphasized that the declaration is a Western statement of policy designed to quiet any fears in Russia that the West is preparing to launch an attack to liberate the people of Eastern Europe.

But Von Brentano said the people of Eastern Europe have a right to know the free world's attitude toward their struggle for freedom. He said NATO must not encourage any militant action or uprising that could spill over into Western Europe. Instead NATO should strive to influence events through economic and social contacts.

The foreign ministers directed that the declaration be incorporated in the closing communique which will sum up the work of the current meeting of foreign, finance and defense ministers from the 15 NATO nations.

Von Brentano had warned the Council that if Hungary's revolution fever spread to Communist East Germany, nobody could tell how big the blowup would be. But he toned down his warning with the observation that 22 Russian divisions stand ready to smash any German uprising in the East.

The NATO Council also got a jolt from U. S. Secretary of State Dulles, who told the ministers, America reserves the right to act alone in certain parts of the world without consulting NATO. His (Turn to Page Fourteen)

## LATEST WALKOUT OCCURS A FEW HOURS AFTER END OF NATIONAL TWO-DAY TIE-UP

By ENDRE MARTON

Budapest (P)—Tens of thousands of Budapest workers quit work again today only a few hours after returning to their factories at the end of a two-day nation-wide general strike.

The new walkout was in protest against the arrest of the chairman of the Budapest Central Workers' Council and his chief assistant by the Russian-imposed government of Premier Janos Kadar.

There was a total walkout in the industrial 11th District of Budapest, which has many textile and tool plants.

Informed sources reported the boss of Russia's secret police, Gen. Ivan Serov, has taken over control of Kadar's government in a desperate effort to end the continuing widespread resistance to Communism and Moscow control.

The situation in Hungary now is so chaotic that the Russians are reported running matters entirely, in effect replacing the government of Kadar.

A Hungarian source said Serov "is now running what is left of the Kadar regime, whose members are fighting among themselves." The Russian Police boss is an expert at repression and deportation.

The approaches to the Hungarian Parliament building, seat of the government since the outbreak of the rebellion against Communism, were blocked by masses of Russian tanks and armored cars.

This dispatch was received in Frankfurt during a brief break in the four-day communications blackout between Budapest and the West.

At least six persons were killed in riots and clashes with Russian troops and Communist Hungarian police during the general walkout Tuesday and Wednesday.

The clashes included one on Budapest's Szeged Street, where a crowd of thousands gathered and fighting in the provincial towns of Eger and Miskolc.

The new strike was touched off by the arrests of Sanfor Racz, head of the Budapest Central Workers' Council, and his deputy, Sandor Barti.

The walkout spread rapidly among plants in the capital when the workers heard of the arrests. More stoppages were expected to follow in provincial cities and towns when they got the news.

Serov, the Soviet secret police chief, has a long record in connection with deportations. Documents captured during World War II showed he signed the order, just before the German attack on Russia in June 1941, under which thousands were exiled to Siberia from the Baltic Republics of Latvia, Lithuania and Estonia.

Stalin is believed to have put Serov in command of the removal of certain entire Soviet peoples—the Chechen-Ingush Tribes, the Crimean Tatars and the Kalmyks—from their native areas into exile in Siberia and Central Asia in 1944. Those national groups had been charged with collaboration with the Germans.

Named to the top security post in 1954, Serov was picked by Com. (Turn to Page Fourteen)

## Pittsburgh Women 111 Remembers Civil War

Pittsburgh (P)—It is more than 91 years since the American Civil War ended but Mrs. Sabra Washington, who today is observing her 111th birthday, vividly recalls the day Gen. Robert E. Lee surrendered.

"The old folks shouted 'glory Hallelujah,' and us young folks danced in the streets," said Mrs. Washington.

The streets were in Homewood, now a part of Pittsburgh, where Mrs. Washington moved with her first husband. She had spent her early years as a Negro slave in South Carolina.

Mrs. Washington's first husband died when she was 40.

## Midwest Storm Is Heading Into the Great Lakes Area

By The Associated Press

A storm that dumped 2 to 5 inches of snow over wide areas of the Midwest headed into the eastern Great Lakes today.

It was cold in the north central region. Chilly weather extended over a V-shaped area from Texas northeastward through the Great Lakes and Ohio Valley into northern New England and northwestward through the central and northern plains.

Temperatures in the frigid zone ranged from near zero to 10 below from western Wisconsin to the Dakotas and up to around 30 in north central Texas.

## Court Rules Embezzler Must Serve His Full Term

Pittsburgh (P)—A businessman and a former bank teller from McKeesport must serve their full-year prison term for conspiring to take \$58,744 in bank funds.

U. S. District Judge Wallace S. Gourley yesterday rejected appeals by the pair to have their sentences reduced.

Mrs. Hildur Nystrom Tholen, the bank teller, testified at a trial for her and the businessman, Samuel J. Kennedy, that the money was taken during a holdup.

FBI agents contradicted her testimony, saying there was no evidence of a holdup. The couple began serving their term last month after appeals for a new trial were rejected.

## Nixon Is Flying To Austria To Study Refugee Problems

Augusta, Ga. (P)—Vice President Nixon will fly to Austria next week—at President Eisenhower's request—for first-hand study of Hungarian refugee problems. On return he will recommend what further aid the United States can give.

In announcing plans for the Nixon trip last night, White House press secretary James C. Hagerty said in reply to questions that whether to admit more than 21,500 Hungarian victims of Soviet oppression to this country will await the vice president's report to Eisenhower and Congress.

The President already has authorized that number.

The White House statement said Nixon will leave Washington Tuesday and return Dec. 23. It added that the purpose is consultation with American, Austrian and international relief agency officials on problems relating to relief and resettlement of Hungarian refugees.

## CLEARED OF MURDER

Pittsburgh (P)—Mrs. Eva Hutterer, 44, of nearby Verona, yesterday was found innocent of murder in the stabbing of her husband, Paul, 41, last July 7. An Allegheny County Criminal Court jury deliberated only 90 minutes before returning the verdict. Mrs. Hutterer, who had been in jail since the slaying, testified she stabbed her husband with a paring knife when he threatened her with a piece of wood after he had come home drunk.

## Two Dead from Carbon Monoxide in Motel Cabin

Clarion—Two persons were found dead Wednesday in the Hagan Motel on Route 322, two miles west of Shippensburg.

Death was believed due to carbon monoxide poisoning.

Found dead at 2:20 p. m. were: Sidney Carroll Smith, Jr., 37, of Howard Place, Wheeling, W. Va., and Ruth Ann Beary, 19, of Marble Star Route.

J. Ward Kier, Clarion County coroner, issued certificates of death caused by carbon monoxide poisoning.

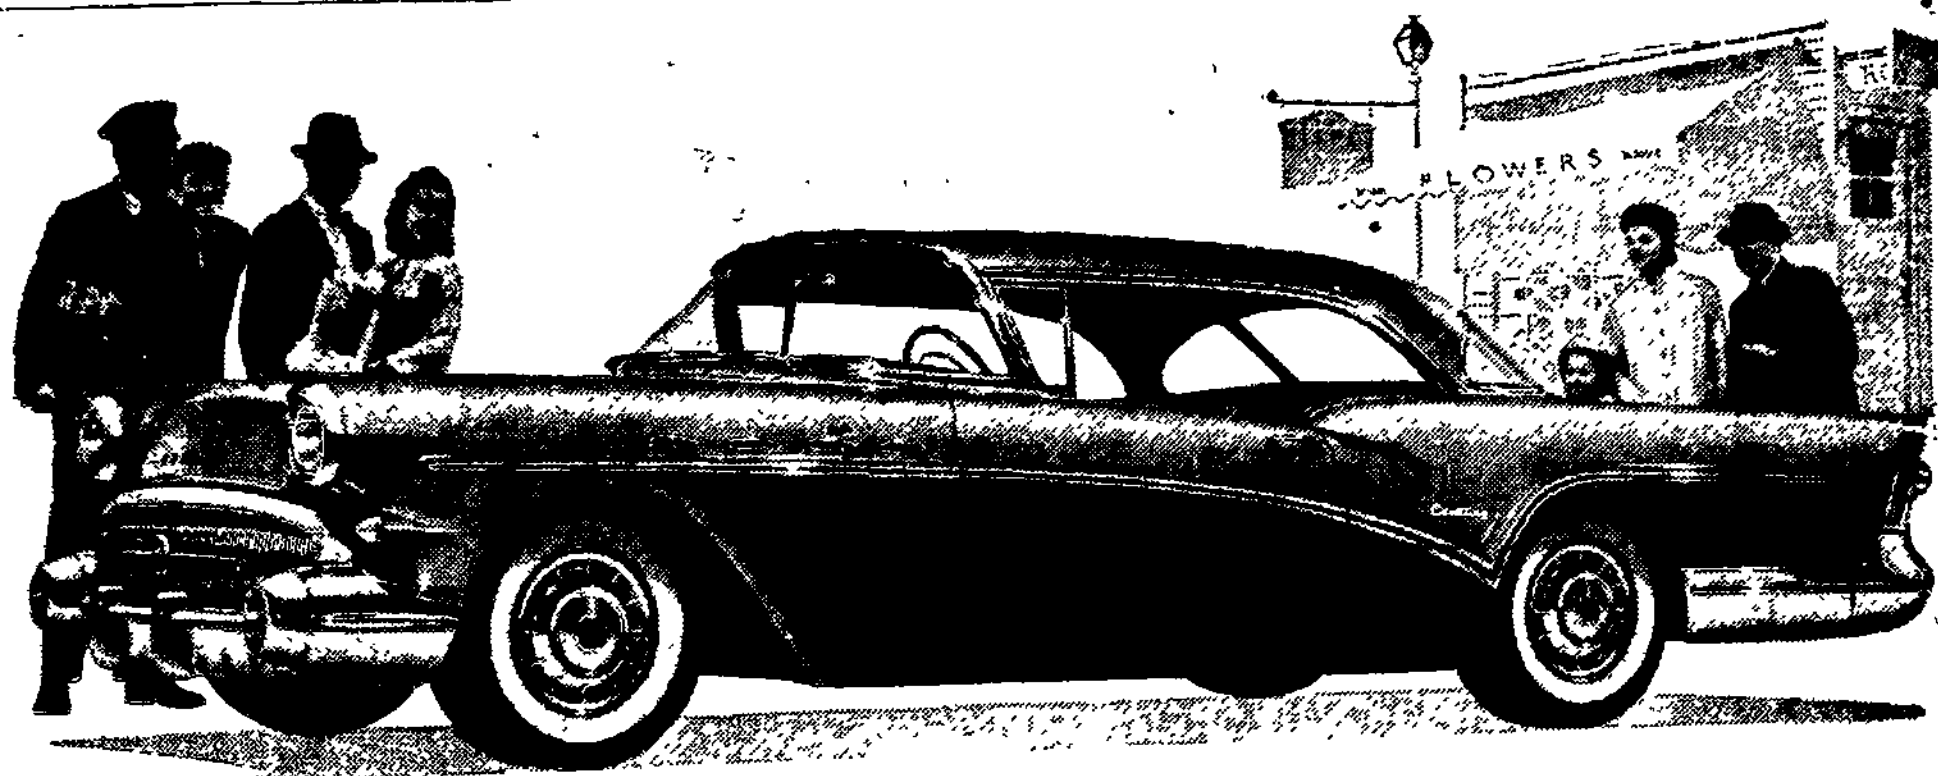

The bodies were found by Walter Williams who lives in a unit at the motel.

## What's it Got that Everyone's After?

What figured folks would go for the '57 Buick—and big.

But we sure didn't figure *this*—the most rousing reception we've ever seen in all our years of selling new Buicks.

We're getting more enthusiastic talk—along with the signed orders—than ever before. And, neighbor, if you want to know *why*—listen:

This '57 Buick has that sleek low-sweep styling that today's moderns want—and it's here in extra-long measure, in the *lowest* Buick yet.

It has the room they want—for Buick's new wide-frame chassis permits a sports-car silhouette with more interior roominess than even last year's spacious Buicks.

It has newness everywhere, and newness that's *wanted*...

A smart new panoramic windshield of vaster dimensions and greater visibility. The sweet, solid surety of a new "nested" ride. A brilliant new handling and cornering and levelized braking that come of an ingenious new ball-joint suspension. It even has the modern answer for today's driving—a new Safety-Minder\* that watches your miles-per-hour for you.

But even more important, this rakish sweep of automobile has a new kind of *instant* response—and that's the biggest reason for the soaring popularity of the newest Buick yet.

For here is performance—smooth as spun silk—unleashed by a totally new V8 engine 364 cubic inches big, and with the highest compression, torque and horsepower in Buick annals.

And here, to deliver that might, is the power-pitch action of an advanced new Variable Pitch Dynaflo.\* A Dynaflo of such instantaneous obedience, such smooth and versatile control in "Drive"—the need for "Low" is virtually ended.

In all truth, you've never bossed a car so keenly alive, so smooth in motion, so solid in feel. It's ahead of its time, ahead of the industry—even ahead of your great expectations.

Come check up on all this for yourself. Come drive this shoulder-high sweetheart with the strong he-and-she appeal. Come be our guest—today.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional on other Series.

#### Deadline Reminder for Santa Letters From the North Pole

This reminder that Saturday is the deadline for Santa Claus letters to be returned to area children from the North Pole, is submitted by the office force of the Warren County Motor Club, Times Square.

A conspiracy to maintain childhood faith in Santa Claus is offered again this year by Pan American World Airways, your Warren Post Office, and the Warren County Motor Club.

This deep dyed plot to maintain the illusions of the young produce a letter signed personally by Santa Claus, bearing a special cancellation post mark "North Pole Station, Fairbanks, Alaska" nearest post office to the North Pole.

Last year 100,000 children found such letters in their mail boxes just before Christmas, over 200 of them in Warren.

Tens of thousand parents fell in with the plot. But also kindly people all over the country saw it as a way to bring cheer to children and adults whose Christmases were a little on the short side.

A Philadelphian obtained the names of 200 youngsters in the poorer section of town and wrote each a cheerful letter. A nurse in a California home for the aged surprised all of her patients with a personal greeting from St. Nick.

Here's how to go about enlivening the Christmas season for young and old:

1. Writing paper and envelopes with the Santa Claus imprint are available at the Warren County Motor Club, 201 Pennsylvania Ave., West, Warren. It's free; just go in and get it.

#### BLOODMOBILE VISIT

PRODUCES 126 PINTS

Working toward the usual quota of 150 pints, Red Cross workers yesterday totaled 126 pints during the visit of the mobile Blood Program equipment from Buffalo. Donors at chapter headquarters included both scheduled visits and drop-ins, with industrial workers well represented.

Ave., West, Warren. It's free; just go in and get it.

2. Write the letter on the stationery and sign it Santa Claus. A word of warning here: the promises are your own.

3. Put the letter in the envelope and address it to your offspring, or if you have none, to the one next door. Don't forget to put a 6-cent airmail stamp on it.

4. Return the letter to the Warren County Motor Club who will forward it to Alaska for mailing. Your letter should be in their hands by Dec. 15.

And, just about Christmas time somebody is going to be made very happy by a personal note from Santa Claus.

#### Prudential Agent Is Entertained On 20th Anniversary

Andrew Thompson, local agent of the Prudential Insurance Company, was guest of honor for a dinner-meeting held at Kane Manor in Kane last evening, the occasion marking his 20th anniversary with the firm and his entry into Class D of the Prudential Old Guard.

The honored guest was the recipient of a diamond ring and certificate from the company, with the presentation made by Frank J. Siebart, company manager at Bradford. His remarks complimented Mr. Thompson, not only for the fine sales record he has made over the years but for his extreme loyalty to his associates and the company.

Mr. Thompson was also remembered by his associates in the Warren office with a white onyx desk set and a beautiful dalmatian. Others attending the party were E. W. Gough, L. F. Gaghan, R. W. Chase, E. V. Earle, E. B. Bumber, L. H. Dolan, D. J. Anderson, E. Sheldgreen, J. B. Lyle, D. P. Wagner, K. J. Nicholson, F. J. Swanson and R. A. Schulz, of the Warren office.

Mr. Thompson began his career with Prudential on December 14, 1936, and has been one of the leading agents in the Warren organization all during the intervening years. For the current year, 1956, he produced the largest amount of business in the history of the Warren organization.

#### 13 Soloists To Be Heard On Boy Choir Program

When the 30-voice Warren Boy Choir presents its annual Christmas Carol Concert in two one-hour programs at 4:30 and 7:00 p. m. Sunday in Grace Methodist church, 13 young soloists will be in the featured spots.

Director Byron L. Swanson has selected the following boys to sing solo parts during the service, which includes well known Christmas songs, numbers by Handel, Bach, Gounod and others: Frank Nichols, Gail Watt, William Eldridge, Ulysses Smith, Victor Rice, Thomas Nasman, William Thoma, Nels Gustafson, Robert Hays, Michael Long, Frederick Haer, James Eldridge, and John Check.

Miss Adelaide Swanson will be at the piano and Richard Pratt at the organ for the performances, which are open to the public with no admission charge. An offering will be taken to help defray expenses.

This year's Christmas concert will observe the 10th anniversary of Warren Boy Choir and is the first local appearance of the group since it sang in Town Hall, New York, last May.

#### HIGH SCHOOL NEWS

Dragon matmen will be traveling to Clearfield High School Friday night for their second match of the season, having defeated a strong DuBois squad in their initial grapple last week.

All Student Council members are reminded to meet in the gym after school Friday to decorate for the annual Snowball on Saturday night. Members are asked to bring old clothes to school, so that the decorating project may begin immediately, and to bring card tables plainly marked with the owner's name. Council members will also be obliged to clean-up after the Saturday function.

The program committee of Future Teachers of America Chapter will meet in the school library after school Monday.

#### PLENTY OF VENISON

The Lester Graham family of near Clearfield has plenty of venison for the winter, thanks to two of its young hunters. Jerry Graham, 13, bagged a three-point buck near Glen Richey and three days later his brother, Richard, 12, brought down another three-point-er in the same area.

#### MEN'S NIGHT

Christmas spirit was very much in evidence last evening as the male population of Warren was out in full force to buy those pretty and unusual gifts for the women in their lives. This is one time during the year when the little woman doesn't object when Dad asks for a night out. This annual Men's Night, which the merchants stage for the convenience of male shoppers, becomes more popular each year.

# Step Up Your Alertness After Dark, Chief of Police Advises

"Night doubles traffic troubles. To step up your alertness at dusk," Chief of Police Michael Evan today offered those words of advice to both drivers and pedestrians. He spotlighted one of the major traffic dangers of the month of December. He stressed the necessity for increased caution and decreased speed after dark.

"Reduced speed is a must for night driving," Chief Evan said. "The range of headlights is not great, and oftentimes a driver cannot stop in time when he is traveling too fast to stop within the distance he can see with his headlights."

"Lowered speed is not the whole solution to night driving safety," he said. "Drivers alertness to road and traffic conditions as well as to his own mental and physical state are also important."

Chief Evan pointed out that the pedestrian, even though he has the advantage of being able to see a car's lights at night, is also handicapped.

He advised pedestrians to wear light colored clothing, or to have reflectorized material if possible when walking at night. "Carrying a flashlight, or something light colored, like a newspaper, in the hand is better than nothing," he said. "These things help the driver to spot the pedestrian sooner."

"During the Christmas season, the night driving and walking picture becomes even more complicated," Chief Evan said. "More people are out at night shopping and party going, and the increased traffic plus weather conditions during this season increase the possibility of accidents."

"Drivers and pedestrians must have their wits about them every second if they want to stay safe under such conditions," Chief Evan concluded.

# Pilotless Bomber Considered Beyond Experimental Stage

Baltimore (AP)—The Air Force says its pilotless bomber, the Matador, is no longer an experimental article. It is now as much a part of the armed forces as a tank or gun.

The Air Force's Air Research and Development Command said the final test flight of the Matador missile was made last Nov. 30 at its missile test center at Patrick Air Force Base, Fla. It passed with flying colors.

The ARDC called it "a reliable missile—the Air Force's first completely technical missile."

The Matador, developed and built by the Glenn L. Martin Co., has been in the testing stage since 1949, when several experimental missiles were tried out at Holloman Air Development Center, N.M.

It is launched by rocket power from a portable platform barely as long as its own body, and narrower than its own wing span. It is hurled into the air by a booster rocket. After the booster's fuel is expended, the booster drops off, and it continues on its own motors.

The missile looks much like a sleek jet fighter. It has a wing span of 28.7 feet and a length of 33.6 feet. It can be equipped with various types of highly destructive warheads. It flies at fighter plane speed and cracks the sound barrier when diving on its target.

PIED PIPERS BEHIND THE WHEEL

Newsmen, along with some lawyers, are ambulance chasers by right of professional heritage. The Pied Piper behind any siren evokes the strongest urge to move since the rut, granted. But the unfortunate aspects of this were forcefully brought out Tuesday evening when the Zimmerman barn burned to its foundation high on an extremely visible hill.

It was a severe object lesson despite no one being hurt seriously and the fire was unstoppable anyway. The string of cars heading for the outdoor "spectacle" clogged Conewango Avenue all the way back to Watson Home, making it extremely difficult for Glade Volunteer Firemen to achieve the slope. All other roads leading to the big barn were also suitably glutted.

In the event a pumper truck would have had to speed out for more water the trip would have been impossible. Traffic was jammed for hours on the narrow, muddy, slippery hill road. Other cars chewed up the Zimmerman lawn as if they had not suffered loss enough already. It has been asked what an ambulance would have had to do to get through the impenetrable passage. Cows, sadly enough, are shot when overcome by smoke but such is not the case with humans. Fortunately Mr. Zimmerman inhaled a less than lethal dose during his heroics to stem the blaze and save the animals.

It might be a brighter future for some unfortunate some day if the anxious spectator gave the volunteers a little more room to operate. Remember, the full story in all its glorious detail may always be found a short time later in the columns of your Warren Times-Mirror, "only paper in many homes."

Here and There

Ordinarily anonymous, or unsigned, communications receive little or no consideration other than a close scrutiny and assignment to the nearest wastebasket. We have one, postmarked in Warren Tuesday at 4:30 p. m., signed merely "Mother, Grandmother and Great-grandmother," which we have decided is worthy of being passed on to readers. It says: "Editor Times-Mirror: Reading the letter that the sixteen-year-old boy wrote and called himself 'Irate Teenager' it struck me so that I would like to ask this young man how much he thinks of his mother and dad, or how much they think of him. Being a mother myself, a grandmother and great-grandmother I must say that letter was the worst I ever heard any one utter. We always found something to entertain our youngsters at home and also they were brought up to go to church, instead of dance halls. Being 73 years old myself I yet have to see a dance. Never have I been near a place like that and none of my youngsters either when they grew up. For another thing we were never hauled to school in a bus or car. If these young folks walked to school and back they would not have to stand around street corners and wonder what to do. I know young fellows that like to help out after school and earn some of their own money—but work is not in everyone. Excuse this letter but I just wanted someone to know how some of us feel in regards to these young boys and grown ups. God Bless them all—Mother, Grandmother and Great-Grandmother."

President arrived with Mamie, Jerry Lewis, Abbott and Costello, June Allyson, Dick Powell, Fred Astaire, Ann Blythe, Jim Cagney, Irene Dunne, Walt Disney, Ruth Hussey, Art Linkletter, Harold Lloyd, Anita Louise, Michael O'Shay, Gene Raymond, Monty Montana, Louella Parsons, Zasu Pitts, Ginger Rogers, Jane Russell, Randolph Scott, Barbara Stanwyck, Robert Walker, John Wayne, and Bob Hope. It surely was a night of nights for stars. Malcolm and Beulah (Knox, she is a daughter of Mr. and Mrs. Bro Marrer) drove up from Odessa, Tex., November 30th and Malcolm went back December 2nd. He will be home for the holidays so our little family can be together for Christmas. The past two months have been sunny, hot and dry—and when, at long last, the rains came, we were so thankful. We do not have a white Christmas as you do in the east, but the California climate seems more like that of the Holy Land where Christ was born. I prefer this land of flowers and sunshine so you are welcome to your white Christmas. However, the spirit is the same, East or West, so I wish you and yours a very Merry Christmas and a Wonderful New Year."

SOCIETY

Philomel Members  
Have Tea and Fine  
Christmas Program

Wednesday afternoon's Christmas meeting of Philomel Club attracted an unusually large attendance of members and all thoroughly enjoyed the program of readings and songs emphasizing the Christmas spirit and story.

Mrs. Dorothy Irvine gave the secretary's report during a very brief business session conducted by Mrs. Beyer Africa in the absence of the president, Mrs. Florence Aldrich, and the meeting was turned over to Mrs. Eleanor Sick.

Standing near a table arranged with a miniature manger, shepherds and other Nativity figures, Mrs. Sick read Christmas scripture passages setting the mood for the vocal numbers by Gweneth Pearson, Violet Borg, Mrs. Sick, Romaine Ericsson, Barbara DeFrees, with Adelaide Swanson, Helen Potter, Lillian Larsen and Letty Meacham. For two carols sung by the audience, Barbara DeFrees and Romaine Ericsson sang decants from the background. Tea in the club parlors was in

charge of Mrs. Ernest Hagenlocher and her hostess committee, with Mrs. Nels Anderson and Mrs. Nelson Johnson pouring. An unusual arrangement of large golden roses and golden spiral candles centered the tea table, while another center of interest was a mantel decorated with a golden tree, scroll motif, and golden garland.

Cox-Keyser Rites  
At Mount Jewett

Miss Barbara T. Keyser, daughter of Mr. and Mrs. Irvin Keyser, of Guffey, Pa., became the bride of Charles N. Cox, son of Mr. and Mrs. Ivan G. Cox, Youngsville, in a pretty November 24th ceremony in Mt. Jewett Methodist church.

The Rev. R. J. Hurst performed the double ring ceremony before an altar decorated with arrangements of chrysanthemums, ferns, and candelabra. Mrs. L. R. Capp, organist, played traditional wedding music.

The bride was attended by her sister, Miss Kay Francis Geyser, as maid of honor. Russell Larson served as best man for Mr. Cox, and ushers were Arthur Keyser and Joseph Brown.

Given in marriage by her father, the bride wore a brown tweed suit, white and brown accessories, and a corsage of yellow roses. Her sister wore black accessories and salmon colored roses with an aqua suit.

Mrs. Keyser wore a mauve dress, Mrs. Cox chose a gray suit, each with a corsage of pink carnations. A reception was held at the home of the bride's parents following the ceremony; decorations including arrangements of yellow and bronze pom poms. Miss Shirley Goodman, Warren, served the three-tier wedding cake, which was topped by bridal figures in miniature. Mrs. Ethel Brown, sister of the bride, poured.

After a wedding trip, which included a visit with the bride's sister in Cleveland, O., the couple will be at home to friends at 112 Central avenue, Warren.

The bride is a graduate of Hazelhurst High School and was employed in the office of Dr. William Lind, Kane. Mr. Cox, Youngsville

High alumnus, is a Bell Telephone employe in Warren.

MUSICAL-TEA

The Two-to-Four Club of the YWCA cordially invites all members and friends of the association to enjoy a musicale being presented by Mrs. Everett Borg and Mrs. Francis Ericsson at 1:30 p. m. Friday at the "Y", and is hopeful for a large turnout.

There will be a small admission charge for the event, the proceeds to go to the World Fellowship Fund of the YWCA. Two-to-Four members are reminded to bring cookies, also their gifts for a needy family.

Son of Dr. and Mrs. J. T. Valone, 504 Market street, has been signally honored at Pennsylvania State University, where he has been nominated for membership in Phi Kappa Phi, national scholarship society.

Jim is doing graduate work in education at the university, working toward his master's degree, and is, at the same time, a student-instructor in history. He was honored earlier with election to Phi Beta Kappa membership; is a member of Pi Gamma Mu, national social science honorary, Kappa Phi Kappa, national education honorary, and Phi Mu Alpha, national music honorary. Continuing his music, he plays in the clarinet section of the University Orchestra.

BAPTIST MOTHERS' PARTY FOR CHILDREN

Members of the Baptist Mothers' Club will hold their annual Christmas party for their children on Saturday, 11:00 a. m. until 2:00 p. m., at the church. All are recommended to bring sandwiches, a gift for each child, tree trimmings, and discarded toys wrapped as gifts to be placed under the tree.

Betrothals

Mr. and Mrs. William Fladry, 104 Muir street, wish to announce the engagement of their only daughter, Nancy, to Norman Streif, son of Mr. and Mrs. Adolph Streif, 105 Eddy street. Miss Fladry is employed by G. C. Murphy Company, her fiancé is serving with the U. S. Navy at New London, Conn. No date has been set for the wedding.

CHRISTMAS LUNCHEON AT WOMAN'S CLUB

Woman's Club members enjoyed a delightful Christmas luncheon and program at the clubhouse Monday afternoon, with the Drama Department in charge. The program, "Off the Christmas Tree", was unusually pleasing and emphasized the true spirit of Christmas.

Richard A. Sidey was at the piano to provide a musical background for "The Three Low Masses", a story from Alphonse Daudet's "Letters From My Window"; also to accompany Mrs. Francis Ericsson, who sang beautifully the familiar "Twelve Days of Christmas"; and "Let's Keep

Christmas", a condensation of the Peter Marshall book.

The readings were beautifully done by Mrs. Wright, Mr. Sidey's music created just the proper atmosphere, and Mrs. Ericsson delighted with her lovely voice.

BAPTISMAL SERVICES

Russell-The Rev. C. C. Headland conducted baptismal services Sunday in the Akeley and Russell Methodist churches. At Akeley—Goldie Belle, David Edwin, Gale Marla, Robert Leroy, and Beryl Ruth, children of Mr. and Mrs. Gall Morse.

At Russell—Nancy Jean, daughter of Mr. and Mrs. Charles Swanson; Kevin James, son of Mr. and Mrs. David Akeley; Richard Samuel and Kathy Ann, children of Mr. and Mrs. Samuel Mack; Lucinda Ann, daughter of Mr. and Mrs. David Marsh; Theresa Ann, daughter of Mr. and Mrs. James Prettyman; Thomas Raymond, son of Mr. and Mrs. Paul Wade; Martin Luther, son of Mr. and Mrs. Elton Wenzel.

ODIN LODGE PARTY

The annual Christmas party of Odin Lodge, S. F. of A., will be held in the lodge hall Saturday evening, with dinner at six o'clock, followed by a program and exchange of gifts.

## Youngsville BPW Christmas Party Enjoyable Event

Youngsville—Business and Professional Women's Club members enjoyed their Christmas party in the firemen's hall, which was beautifully done with holiday decorations.

Background music of Christmas carols added much to the delicious turkey dinner served by the Firemen's Auxiliary. Edith Young gave the table grace.

Dora Gustafson, as toastmaster, introduced Norman Huck of the Bell Telephone Company, who showed a film, "The Spirit of Christmas," Billy Johnson and "Jerry" in a clever act of ventriloquism; Patty Hendrickson, who played Christmas selections on her accordion.

Lawrence Hicks, Spartansburg, was winner of the special benefit project, and members enjoyed an exchange of gifts about the tree. Guests were Edith Morley, Mary Engstrom, Marguerite Spencer, Virginia Donaldson and Mary Sherwood.

Serving as the committee on arrangements were Dorothy Stillings, Dorothy Richards, Lois Gustafson, Evelyn Overturf and Dora Gustafson.

Passenger cars account for 80 per cent of all motor vehicle miles traveled in the United States

## Legion Auxiliary Has Program and Plans for Holiday

Members of Chief Cornplanter Unit No. 135, American Legion Auxiliary, spent a delightful Tuesday evening in the spacious living room of the Legion Home, which has been attractively decorated, with a beautiful tree the center of interest, all ready for the many visits Santa will make in this area.

A unique Merry Christmas game was directed by Mrs. Sherm Bisson, president. Mrs. Albert Foy played the role of Santa's assistant, distributing gifts to everyone.

Highlight of the social time was the invitation to the dining room where a lovely tea table had been arranged by Florine Larson assisted by Ethel Hudson, Ella Mank, Mrs. Leroy Meeder, Agnes Duncan, Edith Ahlquist, Pearl Graham, Leah Smith and Leona Albaugh, with Mrs. Bisson pouring.

During the brief business session, a report was made of a gift from the Youngsville unit toward the party for veterans at Warren State Hospital. A gift was also acknowledged from Mrs. Agnes Johnson, a Gold Star Mother, for the same purpose.

Lillian Kippie, child welfare chairman, reported a veteran's family in need of assistance, which was voted by the membership.

Leona Albaugh requested interested members to meet at the Legion Home at 2 o'clock Sunday afternoon to pack Christmas boxes for hospitalized veterans. She also announced need for more home-made cookies for the State Hospital party the evening of December 20.

Emma Kiernan read a most interesting letter from Anna May Shaffer, student in Scotland School "adopted" by the local unit. The suggestion was made that members could brighten Anna May's Christmas by remembering her with a greeting.

Piety Hill, membership chairman, reported 350 members enrolled, which entitles the unit to a national citation—such recognition given because the figure is achieved before the end of December.

### PLANS COMPLETED

All plans are completed for the fun-filled monthly Family-Frolic at the YMCA Youth Canteen Saturday night, when a jovial, portly Santa Claus will be present to deliver exchange gifts to young and old. Yule tide trimmings grace the spot, where the Family Nighters will hold their Christmas party at 7 o'clock p. m. It is anticipated the exciting events planned will extend the party slightly past the usual 9 o'clock break-up time.

Mrs. Ann Ruhlman and her planning committee for the occasion promise patrons time for a swim and delicious refreshments in keeping with the holiday season.

Everyone attending is reminded to bring a 25-cent gift for exchange. It is emphasized reservations must be made by telephoning the "Y", or by dropping in at the "Y" before Friday noon.

## Marlow Says Governor Herter Now in Good Spot To Become G.O.P. Presidential Timber

By JAMES MARLOW  
Associated Press News Analyst  
Washington (AP)—Gov. Christian A. Herter handled himself just right to become secretary of state and, if the Republicans want him, their presidential candidate in 1960.

It seems unlikely, if only because of age and health, that Secretary of State Dulles will stay, or want to stay, for the next four years of President Eisenhower's second term.

Dulles, almost 68, is the oldest man in Eisenhower's Cabinet. He has just recovered from an operation for removal of a cancerous section of intestine. His first four years as secretary were rough.

World conditions are getting even rougher.  
And Eisenhower on Saturday put Herter in the perfect spot to succeed Dulles.

Eisenhower named the Massachusetts governor undersecretary of state—the State Department's No. 2 position—in place of Herbert Hoover Jr., who resigned and will leave office around Feb. 1.

Herter is one of the most respected Republican politicians and fits into what Eisenhower likes to call his "new Republicanism."

He had worked for the State Department during and right after World War I. But his stature and views on foreign policy were established when he served in the

House of Representatives and on its foreign affairs committee before becoming governor.

Eisenhower now could hardly slight Herter—after honoring him with this appointment—by leaving him in the No. 2 spot and naming someone else as secretary if Dulles steps aside.

Whatever time Herter spends as undersecretary will be perfect preparation for the job as secretary. If Eisenhower wants broad new policies in foreign affairs he may want Dulles out.

Dulles has been criticized for his handling of foreign affairs, particularly in the case of Egyptian President Nasser. However, he can claim he was not directly to blame for what followed: Nasser's seizure of the Suez Canal, the subsequent British-French attack on Egypt and the split between the United States and its British and French allies.

Herter was largely unknown to the public outside Massachusetts until this past summer when Harold Stassen, one of Eisenhower's aides, urged Republicans to dump Richard Nixon and make Herter their vice-presidential nominee.

If Herter had gone along with Stassen, the result could have been a convention fight and a party split. Instead, he quickly spurned Stassen's support, insisting he did not want the nomination and in the end nominated Nixon himself. Republicans no doubt were grateful, since this preserved party harmony.

If Herter succeeds Dulles, and is successful, his work as secretary will make him both an international figure and a possible Republican presidential nominee four years from now.

Nixon in these next four years may so conduct himself that he can have the Republican presidential nomination without trouble, although other Republicans have presidential ambitions.

Herter will be 65 in 1960. He may have no presidential desires. But if he did well as secretary, and if opposition to Nixon grew, Herter would be in a fine spot to be picked as a compromise candidate.

### SUGAR GROVE

Sugar Grove—Roy Christianson presided at the Monday evening meeting of Sugar Grove Volunteer Fire Department, when Chief Scott Stuart, Jr., reported three alarms since the last meeting; and 20 members signed up for the first aid course to begin in January. It was also reported two dozen folding chairs have been ordered. Thirty members were present for the meeting and refreshments served by Roy Christianson and Harold Dobson.

Newly-elected officers will assume their posts in January, the following having been named: Mr. Christianson, president; Fred Bauer, vice president; Robert Hunsinger, recording secretary; Perry Wilcox, corresponding secretary; Burt Schoonover, treasurer; Ed-nest Lehman, trustee.

Also Scott Stuart, Jr., chief; Stuart L. Andersen, assistant; Perry Wilcox, second assistant; William Hinsdale, lieutenant; Ernest Lehman, second lieutenant; Laverne Devore, fire police captain.

### LANDER

Lander—Mr. and Mrs. Harry Bergstrom left Sunday morning for Harrisburg, where the former attended a meeting of township supervisors on Monday. Returning, they visited their son, Roderick, and wife at Lancaster, arriving home Tuesday evening.

Mr. and Mrs. Galen Rapp and son have left for Oswego, N. Y., where he has employment.

The Firemen's Auxiliary served dinner Monday evening in the community house to 35 members of the Glade Auxiliary.

Mrs. Cecilia Cowles was a guest for her birthday at the home of Mr. and Mrs. Lloyd Cowles, Jamestown. Guests at her home Monday were Mrs. Clair Cowles and children, Lottsville.

The Hotel Roosevelt in New York City has a Rib Room restaurant that serves only roast beef during the dinner hours.

## Probe of Real Estate Leases Issued By Dems To Be Sought

By LEONARD A. UNGER

Harrisburg (AP)—Senate Republican Floor Leader Mahany (R-Crawford) said today he would ask the Pennsylvania Legislature to investigate real estate leases issued by the Democratic state administration.

"I understand that some of these leases were changed for political purposes," he told a newsman. "The state lost money in order to give some 'deserving' Democrat this patronage."

Mahany made the statement after attending the Pennsylvania Society Dinner in New York Saturday night. Some 1,500 Pennsylvanians and New Yorkers with Pennsylvania connections attended the affair.

Secretary of the Treasury Humphrey received the society's gold medal at the 58th annual dinner. He said he regarded any new Marshall plan aid for Europe as unlikely as a result of the Suez crisis.

His position was that existing institutions could do the job.

Secretary of Commerce Weeks, another member of President Eisenhower's Cabinet delivered the principal address and urged American business to be on the lookout against inflationary factors in their operations.

Mahany declined to go into details on the real estate leases on the basis that he didn't want to tip his hand to the Department of Property and Supplies which handles negotiations for leases to house state agencies.

The only specific reference Mahany would make was to a lease he said was negotiated for a De-

partment of Labor and Industry office in Johnstown.

In another development at the New York gathering, G. Mason Oviatt, former Republican national committeeman, called on the Legislature to support Gov. Leader's proposal for a 43 million dollar manufacturers.

Oviatt head of the Pennsylvania Manufacturers' Assn., gave his support to the plan to restore the exemption of state manufacturers from the five-mill capitol stock tax.

The 1955-56 legislature, at Leader's request, wrote a Jan. 1, 1958 effective date for the exemption but similar efforts in the past have resulted in postponement.

Oviatt said the state budget could be balanced by keeping the sales tax at three per cent and clearing what he termed the "excess load" from the state payroll.

He said the five-cents a pack cigarette tax should be kept at that rate to yield 21 million dollars. The levy jumped a cent in 1955 with the proceeds earmarked for flood emergency relief. Unless re-enacted, it will automatically fall back to four cents a pack next June 1.

The absence of Republican State Chairman George I. Bloom left unsettled what Republicans plan to do about the leadership of the State Senate. Bloom's mother died last Wednesday.

Funeral Information Will Be Found Under Another Heading

**MERTON B. PHILLIPS**  
Funeral services will be held in Kane at 2:30 p. m. Friday for Merton B. Phillips, 62 year old resident of Nansen, who died of a heart attack at his home shortly after Tuesday midnight. The Rev. Frederick Morris, Methodist minister, will conduct the rites and interment will follow in Forest Lawn cemetery.  
Mr. Phillips, well known area leaseman for the Quaker State Refining Company, was born in Meade Run in 1894 and had lived in the Kane area all his life. He was a member of Kane Lodge of Moose.  
He was married in 1916 to Viola Silvia, who survives him, with four children, Mrs. Martha Vognetz, Muncy, Pa.; Fred, in Kane; Merle and Wayne, Erie. Also surviving are a brother, Lionel, in Concord, N. H.; his step-mother, Mrs. Fred Phillips, Warren; and six grandchildren.

**THOMAS EDWARD WEAVER**  
Thomas Edward Weaver, 23 Brown avenue, Clarendon, died at 7:00 a. m. today at Warren General Hospital, where he was admitted Wednesday afternoon. Aged 70 and well known retired refineryman, Mr. Weaver had been in failing health for some time. A complete obituary and arrangements for services in his memory will be published tomorrow.

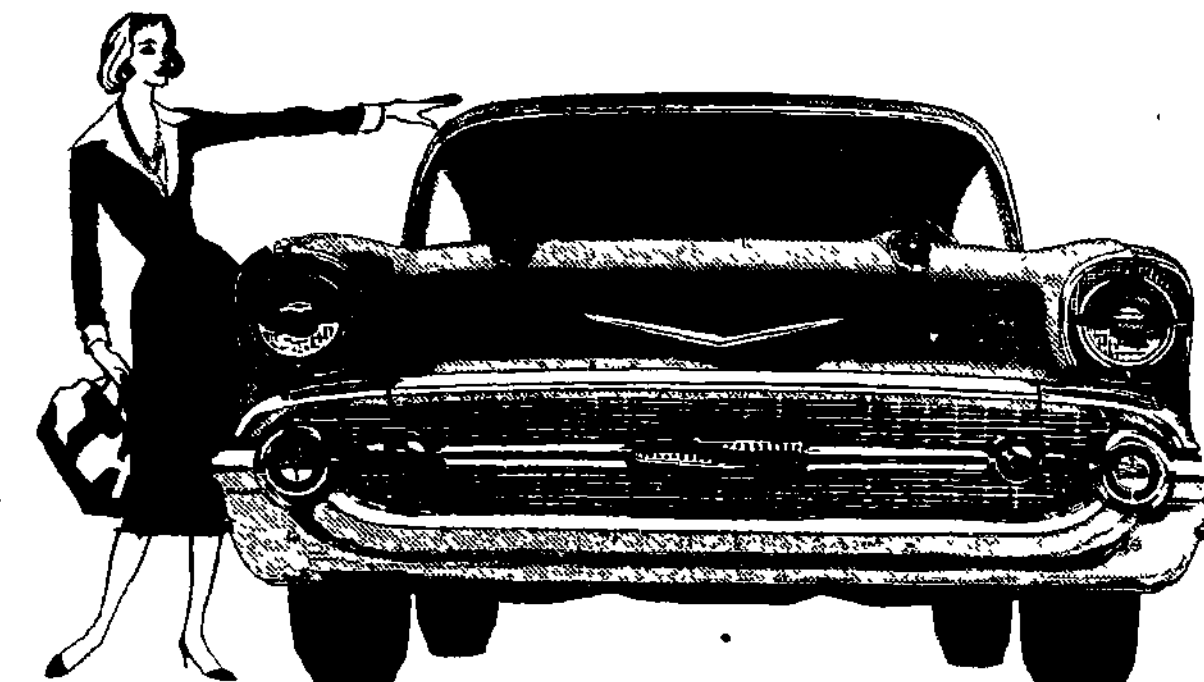

**CARD OF THANKS**  
We wish to thank our relatives, neighbors, and friends, for the many acts of kindness, the beautiful floral offerings, and other tokens of sympathy extended to us during our recent bereavement.

See the '57 Chevrolet now on display. It's sweet, smooth and sassy!

*Chevy's lower and longer...and every inch a beauty!*

Chevrolet's new Bel Air Sport Coupe. Body by Fisher, of course, with all that means in extra fineness of construction, materials and details.

Sure it's longer and lower. And livelier, with new power (even fuel injection!) plus Turbo-glide automatic drive—the first and only triple-turbine transmission.

Here the bright new ideas begin, and they go on and on, inside and out. Things you'll especially like: A colorful choice of 20 new models. Remarkable pep and handling ease. A superb 6. New V8 horsepower options that range up to 245.\* And a choice of two automatic drives as extra-cost options. There's

famous, frisky Powerglide. Or Turboglide, Chevy's new automatic that brings you triple-turbine takeoff and the smoothest going of them all.

You may find it hard to put your finger on the thing you like best about this sassy new Chevy. Could be its happy feeling of lively, easy-going fun. Or the pure satisfaction of driving a car that's so agile and responsive. And so new and daring in design! Could be any or all of those things—all good reasons to stop by (the sooner the better!) and pick out your favorite among the 20 sweet, smooth and sassy new Chevrolet models.

## Sheffield Rotarians Hear Story About The Yukon Region

Sheffield—Attending Tuesday's noonday meeting of Rotary Club were 25 members and two guests, William Faull, Rotarian from Bradford and guest of W. W. McMillen, and Robert Gustafson, guest of P. J. Finerty.

Alfred Elder, program chairman, gave a most interesting review of the book "Ice Bound Summer," by Sally Carrighar. He described the bleak beauties of the winter months in the Yukon region and also the unusual beauties of the short summer periods. The description of the birds, such as ducks, crane swans, and the loons, in their annual migration to the north, was most interesting and especially the rapid development of their young during the short period before they begin their southern migration.

Mr. Elder gave an excellent description of the fish and seal movements, as well as those of the little animals called lemmings. The movements of the lemmings and the story of how the seal protects her young were excellently given, giving one the desire to read the book.

Christmas and New Year's coming on Tuesday, the club will not meet those two weeks.

Contributions were given to the Salvation Army and the Warren County Tuberculosis Society.

The Birthday Club had a 6:30 covered-dish dinner at the home of Mrs. Frank Byrne Saturday evening. Members gave Mrs. Byrne a farewell gift, as she is leaving to make her home in Erie.

## Bell Telephone Co. Planning To Seek An Additional Hike

Harrisburg (P)—The Bell Telephone Co. says it will seek additional rate increases above the 13½ million dollar annual boost authorized yesterday by the Public Utility Commission.

Shortly after the PUC authorized the boost—representing only one-third of that originally asked by the company—W. D. Gillen, Bell president said:

"The 4.9 per cent increase in revenues allowed by the PUC is grossly inadequate to enable us to provide our customers with the telephone service they need and want and for which we know they are willing to pay a fair price.

"Therefore, to keep faith with our customers in performing our service responsibilities, it will be necessary for us to obtain further increases in our rates at an earlier date."

## Aviation News

Mr. and Mrs. Howard Whitmire, of Warren, returned home Monday afternoon from a flying trip to Asheville, North Carolina, in their privately owned aircraft.

The Warren Aviation Club, Wednesday night, held their last meeting for the year of 1935. In the future there will only be two meetings per month. The meetings will take place on Wednesday nights at eight o'clock on the first and third weeks of the month. After each meeting the airport manager will conduct a short ground school class for the benefit of the club members that are learning to fly. There is no charge for this schooling and all interested persons are welcome to attend the class. It will serve as a review for those persons already possessing a pilot's license.

Ted Shaw, student pilot club member, is running a race against time. He just received notice from the draft board and took his first flying lesson Wednesday afternoon. Ted joined the Club for the express purpose of learning to fly and obtain his private pilot's license. If Ted can complete his private pilot's course before leaving for the service he will be finishing in record time.

## "Inside Red China" as Viewed By a Canadian Newspaperman

[Editor's Note—This is another in a series of stories on Communist China by David Lancashire, Canadian reporter who spent six weeks there.]

By DAVID LANCASHIRE

Hangchun, China (AP) — A 750-acre plant equipped with Russian and American machines is turning out the first motor vehicles ever produced in China.

Changchun's No. 1 motor vehicle plant is a 257-million-dollar example of the swelling industry that is transforming this wasteland of Manchuria 700 miles north of Peking into an immense manufacturing belt.

Industrialization of the province and the establishment of a huge governmental organization here have transformed Changchun into a prosperous, bustling semimodern city of 930,000. New, Western-designed construction is going up on every block.

The bewildered local peasants, in their padded cotton coats and towering fur hats, look out of place, wandering through the five newly erected department stores owned by the state, or strolling wondrously along wide, American-looking boulevards flanked solid with half-completed buildings.

On July 15, three years to the day after construction of the motor works was begun, the first "Liberation Trucks," pride of China's five-year plan, rolled off the assembly line.

Before the end of the year, 4,000 of the six-wheeled trucks will be on Chinese highways. Eventual production, by official predictions, will be 30,000 a year.

The end product is a four-ton open body truck similar in design to a low-priced American model costing about \$8,500. It has a six-cylinder, 90-horsepower engine of Soviet design. It is all Chinese, with 409 parts such as glass, tires

and gauges coming from factories all over China.

Russia helped design and set up the plant. Eighty Soviet specialists still work here.

"We owe a great deal to the Russians," said Li Tai-sun, assistant director. "Never having produced automotive machinery before in China, we had to start from the beginning."

All heavy machinery in the 13 sheds of the hastily built plant was made in the Soviet Union. But many of the lighter lathes and gear cutters are clearly stamped "Made in the U. S. A."

The machines, which instruction plants in Russian bolted to the frames, are obviously brand new. There is also some light British equipment.

"All our machinery is supplied by the government," said Li. "We have no idea where it comes from or how it gets here."

Buses and small trucks are on the plant's drawing boards. The government has not announced when manufacture of these vehicles will start.

No passenger automobiles will be built in Changchun. Another vehicle plant is scheduled for construction under the second five-year plan 1957 - 62, but its location has not been disclosed.

Surrounding the No. 1 plant is a community of 113 barracks-like dormitories which house a large percentage of the 18,000 employees and their families. A self-sufficient suburb, the project includes stores, a hospital and a movie.

Chief assets to the technological and administrative staff are 500 men who were sent to study in Russian auto works while the plant was under construction.

Executives admit the plant is as much a training school as a production unit.

Pay is roughly equivalent to that in other Manchurian plants. Salaries range from 25 yuan (about \$11 a month) for apprentices to

Results of the overquick construction methods are beginning to show in cracked walls and buckling floors of the plant.

Despite immense production increases in the past three years, China is obviously still far from self-sufficient. Parked outside the Changchun plant were a dozen American cars and a fleet of official Polish sedans for the use of the Russian technologists.

### Census To Survey Farm Wage Workers

Special questions on farm wage workers will be asked in the December Current Population Survey, at the request of the U. S. Department of Agriculture, according to Supervisor Walter R. Reynolds of the Census Bureau's field office in Cleveland, Ohio which will participate in the survey.

Information to be collected will cover days work, earnings from farm and nonfarm work, number of different farms worked on during the year and how farm wage work was obtained. Migrant farm workers will be asked additional questions to determine how far from home these workers went to do farm work.

The farm work questions will be asked in addition to the regular monthly inquiries on employment and unemployment. The Current Population Survey will be conducted locally and in 329 other sections of the country, during the week of December 16.

Current Population Survey information will be collected locally.

### Cole Hill Students Among Contestants

Cole Hill—Four girls from this area had a part in the magazine sales campaign conducted by seniors at Youngsville High School and were presented awards in recognition of outstanding sales ability and results.

Awards were made last week at an assembly held in the high school auditorium and the girls were as follows: Clara Mae Wentworth, Dora Benedict, Mary Clancy, and Anna Marie Zolko, all of Cole Hill, whose sales each totaled \$150.

Others participating in the contest were Susan Johnson, Youngsville, \$156.27; Robert Spencer, Youngsville, \$153.51; Evelyn Baker, Grand Valley, \$128.80; David Mourer, Youngsville, \$100.14; Doris Mourer, Youngsville, \$82.30; and Ruth Peterson, Lettsville, \$72.25. They were also each presented a certificate and awarded a sum of money.

This year's total was much higher than last and the students extend their thanks to all who bought subscriptions to the various magazines in order that funds might be raised for improving the year book, The Aquila.

School District of Warren Borough will receive bids for a supervised fire alarm system at McClin-tock School up to December 20, 1956. Specifications may be secured at office of Superintendent of Schools.

### Senator Thye Wants To Change Filibuster Rule

Washington (AP) — Sen. Thye (R-Minn.) proposed today that Republican and Democratic Senate leaders "get behind an all-out effort" to change the Senate rule which permits filibusters.

Thye, who said he wants passage of civil rights legislation, said in an interview he anticipates failure for a move by 10 senators to get new debate-limiting rules adopted at the opening of Congress next month.

"The Senate is a continuing body and its rules stand from year to year," Thye said. "The only way to get the present debate limitation rule changed is for leaders of both parties to get behind an all-out effort to change it in the regular way."

### RESERVATIONS DUE

Lucky persons planning to attend Warren County Emergency Radio Association dance Friday should call Carl Moore at 4231 for reservations. The general public is invited to the affair which will be held in Glade Firehall Friday beginning at 8:30 p. m. Square dances are featured.

Opera star Elaine Malbin devotes one hour daily in a gymnasium to strengthen her abdominal muscles.

### Midwest Storm

(From Page One)

The cold air was expected to spread over the Ohio Valley southward to the Gulf Coast and southward through Oklahoma and Texas. Snow was in prospect from parts of Kentucky northward through Michigan and northeast into the Atlantic Coast states. Heavy falls were forecast in western New York and northwestern Pennsylvania.

### Times Topics

#### WIN AGAIN

Style Shoppers won against last night as they blasted Kane Jaycees 90 to 53 on the State Hospital basketball court. Box score will be printed tomorrow on the sports page.

#### 30-PAGE OPINION

In a 30-page opinion, Judge Alexander C. Flick, Jr. this week handed down an opinion in favor of Raymond Tripp concerning a \$500 to \$600 piece of real estate in Southwest Township. The judge granted Tripp full title over a dispute which grew out of non-payment of taxes in 1950. Plaintiffs were E. L. Smith, Ray M. Amy and Merle Amy, et al.

### Atlantic Alliance

(From Page One)

warning put America in the position of having upbraided its two closest allies—Britain and France—for attacking Egypt without consulting other nations while reserving for the United States the right to do much the same thing. In a move to keep peace in NATO, the foreign ministers unanimously approved a plan for NATO's secretary general—currently Lord Ismay of Britain—to mediate disputes among them.

The most critical such quarrel is between Greece, Britain and Turkey over the strategic Mediterranean island of Cyprus. Britain holds it as a colony and both she and Turkey want to keep it that way. Because four-fifths of the population is of Greek descent, Greece wants to annex it.

### Three Accidents

(From Page One)

Damages were estimated at \$175. After the third accident, occurring at 11:43 p. m., an Erie man was charged with a stop light violation.

Police said Santo S. Pascuzzi, 24, of 110 S. South street was headed north on South South street across Pennsylvania avenue. A car headed east on Pennsylvania avenue and driven by Alvin H. Wright, 56, of Erie smashed into the left rear of his vehicle.

Pascuzzi suffered a bruised left temple and knee as his car was spun around into a tree. Damages amounted to \$500.

### Government Acts

(From Page One)

bers of the Asian-African group voted against the Soviets. India and the other three Colombo nations—Indonesia, Ceylon and Burma—had joined earlier in sponsoring a mildly phrased counter-resolution expressing regret the Russians had not withdrawn from Hungary. But in the vote on the U. S. resolution Ceylon and Burma voted to condemn the Soviets, while India and Indonesia abstained as expected.

Observers said Russia's delegation was more concerned over the split in the Colombo group, on whom the Soviets had counted for at least implied support, than over the resolution itself.

### Latest Walkout

(From Page One)

munist party boss Nikita Khrushchev to look after personal security of the top Kremlin brass on their visits abroad. When Serov went to Britain last March to make security arrangements for the British visit of Khrushchev and Premier Bulganin, the British press assailed him as an "odious thug," a "jackal" and a "murderer."

## Governor Seeking Federal Aid For Rain Crop Damage

Harrisburg (P)—Gov. Leader looked to President Eisenhower for federal aid to help farmers in nine western Pennsylvania counties who he said are "really up against it" due to rain crop damage.  
Leader yesterday asked the President to declare the counties a disaster area and thereby make those farmers eligible for federal aid.  
The governor told his weekly news conference that excessive rains ruined grain and hay crops in Butler, Clarion, Crawford, Erie, Lawrence, Mercer, Forest, Venango and Warren counties.  
"If approved by Washington," Leader pointed out, "distressed farmers of the nine-county area could expect to be placed on the same basis as farmers in disaster counties in Ohio."  
The Ohio farmers he spoke of are receiving government certificates worth \$1.50 toward the purchase of 100-pound lots of surplus corn, oats, barley and similar feed grains.

## Another Incident From Files of Happiness Fund

It is terrible to be 10 years old, in the hospital, and be required to dress in standard hospital nightgowns, when all the other girls in the ward have shorty "baby doll" nightgowns.  
Sara was in that predicament and brooded so over the problem that gifts from the Children's Aid Society were pushed aside, as tears produced rivulets down her cheeks.  
Can you explain to a 10 year old that her parents cannot afford the coveted pj's, or that arrangements, transportation, and most of the gifts have been provided by the Society No, like the social worker, you are thankful for the CAS Happiness Fund and dip into its reserves to replace the tears with a big smile.  
Smiles are purchased regularly by contributors to the Happiness Fund and anyone desiring to buy a few for some unknown boy or girl in Warren county has only to mail a check to The Happiness Fund, PO Box 628, Warren, Pa.

**Tar Heels Are Finally Shaking Loose From North Carolina**

By ED WILKS  
The Associated Press  
This may be the year North Carolina's Tar Heels finally shake loose from North Carolina State's shadow in college basketball.  
Coach Frank McGuire's Tar Heels have had nothing but table scraps while State's Wolfpack has been eating high on the hog in their Atlantic Coast Conference. But suddenly it's spring in Chapel Hill.  
The unbeaten Tar Heels, ranked No. 6 in this week's Associated Press poll, ran up their third victory, winning 82-65 over George Washington. State, however, was chopped down for the second night in a row, this time 76-61 by South Carolina.

A serious effort to keep organized baseball in Jamestown bore first fruit last Friday night when some 60 prominent citizens backed a "let's get going" proposition which should see the dropped Falcon franchise purchased again.  
George Harris of Wellsboro gave the group a pause for civic concern when he stated that his town of a mere 5,000 did not expect to break even but was keeping its franchise anyway. He pointed out that Jamestown had a population near 50,000 with another 25,000 in the "trade area" (A gate of 35,000 admissions a year had been mentioned as the financial break-even point in Jintown.)  
Allen F. Ayers and Ernest C. Kessler, co-chairmen of the fight to keep baseball in the hill town stated that since the Falcons moved into the city in 1940 more than 1,500,000 persons had spun

through the turnstiles. Most of the money received had been spent in the bowl business, is planning nothing new for its football return match with Pittsburgh at Jacksonville's Gator Bowl Dec. 28.  
Coach Bobby Dodd, readying his yellow Jackets for their sixth consecutive bowl appearance, is not departing from his almost casual attitude toward the post season hysteria that hits a dozen or so campuses about this time every year.  
As usual, the Tech squad will be excused together with the other students for Christmas holidays which begin Saturday. They won't return to the practice field until the day after Christmas, only three days before colliding with Pitt's powerhouse of the east.  
"We couldn't cook up anything new if we wanted to," Dodd said today. "There isn't enough practice time left."  
Tech took a week off after the last regular season Dec. 1 and returned to practice only this week.  
Dodd isn't taking Pitt lightly, however. He said the other day that he wouldn't be surprised if Pitt were made the favorite by game time. The current line among the wagering crowd has the Panthers a seven-point underdog.

Falcons have about \$3,000 in debts to pay off plus a \$500 league fee. It was suggested financial backing come from 300 businessmen each subscribing \$100. Treasury now has about \$4,200.

With nothing else to do tonight, word comes from South Dayton, N. Y. that the famed touring basketball team of Texas Cowgirls will play the South Dayton Loggers at Pine Valley Central School court this evening. Claimant of the world's baton twirling championship, Judy Ryan, will also perform. Prelim of PV faculty against a high school quint starts at 7:30.

Warren High School football amassed \$4,365 from games this fall. Titusville, which had only a fair year, drew \$1,208 profit at the gate, an increase of almost \$1,000 over the previous year. Total THIS gate receipts were \$5,325 with expenses amounting to \$4,117.35. Warren pays seven percent of its total receipts to the Borough for use of Memorial Field. This year rental came to \$305.62.

**Georgia Tech Is Planning Nothing New For Pitt Game**

Atlanta (AP)—Georgia Tech, maintaining its unruffled air about the bowl business, is planning nothing new for its football return match with Pittsburgh at Jacksonville's Gator Bowl Dec. 28.  
Coach Bobby Dodd, readying his yellow Jackets for their sixth consecutive bowl appearance, is not departing from his almost casual attitude toward the post season hysteria that hits a dozen or so campuses about this time every year.

As usual, the Tech squad will be excused together with the other students for Christmas holidays which begin Saturday. They won't return to the practice field until the day after Christmas, only three days before colliding with Pitt's powerhouse of the east.  
"We couldn't cook up anything new if we wanted to," Dodd said today. "There isn't enough practice time left."  
Tech took a week off after the last regular season Dec. 1 and returned to practice only this week.  
Dodd isn't taking Pitt lightly, however. He said the other day that he wouldn't be surprised if Pitt were made the favorite by game time. The current line among the wagering crowd has the Panthers a seven-point underdog.

**New York Debut Is Disappointing One To Paul Jorgensen**

New York (AP)—Maybe it was the big town jitters. Or perhaps it was the TV tremors. Whatever it was, Paul Jorgensen of Port Arthur, Tex., had it bad in his first New York fight.  
The 21-year-old featherweight who hadn't been beaten in 16 previous starts was apologetic for his poor performance in losing a unanimous decision to Carmelo Costa last night at Madison Square Garden.  
"I don't want to make any excuses," he said in his dressing room. "But something was wrong with me. I didn't even get going."  
"Maybe fighting in the Garden for the first time bothered me. It always has meant something big to me, like Carnegie Hall. Maybe it was seeing New York and being on TV. I don't know. I just didn't fight my fight."  
Jorgensen, who had fought a draw with Costa July 31 and had beaten the flashy Brooklyn boxer Nov. 20 in two Houston meetings, didn't even make it close this time.

**HOCKEY LEAD RACE**

By The Associated Press  
A pair of goals in the first three minutes of the final period last night brought Hershey's Bears the lead in the American Hockey League with a 3-2 victory over Springfield.  
It was the only game scheduled and broke a tie between Hershey and Providence for first place.  
Al Nicholson slipped home the first of the rapid-fire counters at 59 seconds of the third period. With 2:22 gone, Dunc Fisher rapped in the clincher.

**CUBS TALKING TRADE**

Chicago (AP)—Speculation mounted today that the Chicago Cubs might land a much-needed centerfielder with their bait being second baseman Gene Baker. The names of Ritchie Ashburn of the Philadelphia Phillies or Lee Walls of the Pittsburgh Pirates were mentioned. Cub vice president John Holland didn't discount either possibility but indicated that a deal with the Pirates may be closer than with the Phillies.

**PIRATE APPOINTMENT**

Pittsburgh (AP)—The Pittsburgh Pirates today announced the reappointment of Larry Shepard as manager of their Lincoln farm club in the Class A Western League. At the same time the Pirates terminated their working agreement with Brunswick, Ga., in the Class D. Georgia-Florida

**Sale of Randall Park Race Track Under Way**

Cleveland (AP)—A Cleveland attorney says only routine details and approval by present stockholders stand in the way of completing the sale of Randall Park Race Track to a group of Western Pennsylvania businessmen.  
The attorney, Homer H. Marshman, met yesterday with members of the Pennsylvania group, whom he represents, to discuss details relative to the purchase.  
Marshman said a price has been agreed upon and that an offer is being drawn up in contract form. A figure of \$3,600,000 was mentioned in connection with the track sale.

**Gra-Y Basketball League Play Will Start on Saturday**

The Gra-Y Basketball League will get underway this Saturday at the YMCA with McClintock School playing Jefferson at 12:15 sharp in the first league game.  
That scrap will be followed by a secondary game for the second teams from the same schools. In the evening at 7:00, Sugar Grove will travel down to the Y gym for their first Gra-Y game of the year, playing against Home Street school. This game will also be followed by a secondary game, for the second teams.

**Lacy, East street, and North Warren Games will be played at the Community House in North Warren on Thursday evenings at 7:00 and no League games will officially start until Saturday.**

The Gra-Y Council has devised this system of two games each time to enable more boys to play and each boy to play more every game. The complete year's schedule will be printed in a few days. Parents and friends are welcome at all games and are urged to attend.

WELCOME EXCHANGE  
We are happy to learn that "The Occasional", interesting publication printed at the Warren State Hospital has been revived after an absence of twelve months. The current issue contains the annual message from the superintendent; a roundup of events scheduled for the holiday season; timely editorial; news items about volunteer services, community progress, Credit Union, visitations, personals, church services, and usual hospital census which shows that as of December 9 there were 1,603 women, 1,511 men, for a total of 3,114 patients in the institution. A total of 111 persons returned home during November.

CLASSIFIED ADS accepted until 11 a. m. on day of publication.

Reports Reveal All Boro Departments Busy During Nov.

Police Chief Mike Evan in his regular monthly report given to Public Safety Committee at December Council meeting showed that his department had made 117 minor investigations during the month. Arrests for December totaled 247, including traffic violations, and \$806 in fines was collected.

Property damage from accidents amounted to \$5,122. Parking meters brought in \$2,254.

Fire Department Chief James Tridico recorded 13 calls for the month totaling seven hours and 50 minutes away from the station. Out of a potential fire loss of \$33,300 only \$210 worth of property was actually lost.

Board of Health stated 3 cases of scarlet fever were prevalent in the community. Mumps quarantine totaled 46 homes, chicken pox, 16. Health Officer E. F. MacKendrick made 211 calls.

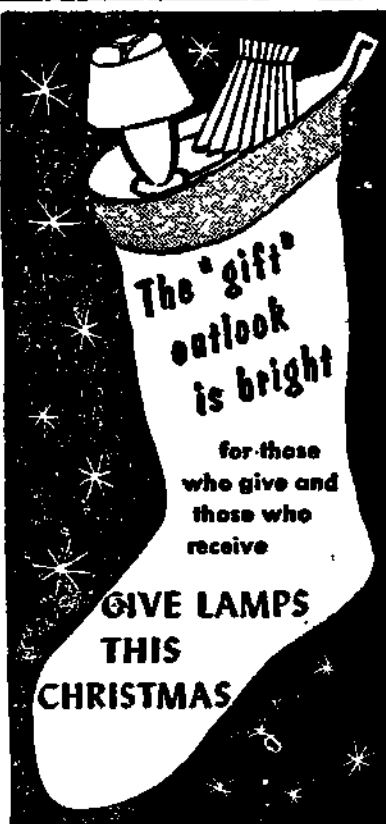

Public Works Department reported sewer cleaning well under way. Holes in paved and dirt streets were repaired and 30 feet of new sidewalk was laid on Locust street. Catch basin cleaning will continue another month.

Parks and Playground reported a Christmas tree erected on the Carver House site by 400 Block merchants and a community tree trimmed at the corner of Water and Market street in Times Square.

Six other trees endangering property were removed during the month.
